## Hand & Face Rejuvenating Specials with Medical Esthetician *Dori Conway*

### 1) Hand Peel Package\*

**\$180** (save \$45)

There are many reasons you will benefit from a chemical peel for the back of your hands: reduced brown spots, reduce effects of sun damage, soften wrinkles and crepey skin. The result is smoother, softer hands!

### 2) Dermaplane Package of 3

**\$300** (save \$75)

This is a simple and safe procedure for exfoliating the epidermis and ridding the skin of fine vellus hair ("peach fuzz") with no down time! It's wonderful for ANY skin type (except if you have active acne). Your face will be smooth, rosey and brighter!

*\*For chemical peels, be sure to be free of sun exposure 2 weeks before and after treatment! No spray tan prior to treatment (but okay a few days after).*

**Call to book an appointment; we'd LOVE TO SEE YOU!**
